PURPOSE/BACKGROUND:

Secondhand dealers are permitted by means of special use permit under the current version of the Town Center Development Standards, but the “secondhand” operation is limited to consignment sales. This bill will adjust that limitation to allow a secondhand dealer use to sell personal computers, laptop computers, and other similar computer devices on a non-consignment basis.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
